Moors for the Future's 5th Research Day 20 June 2008

Agricultural Business Centre
Agricultural Way, Bakewell, Derbyshire, DE45 1AH

Moors for the Future's 5th Research Day will be held on 20 June at the Agricultural Business Centre

This event gives collaborators and recipients of MFF research funding over the last year the opportunity to present their research findings but also includes other topical presentations. A full day of presentations is scheduled (agenda overleaf) making this event a great chance to catch up with some of the latest moorland research and researchers. Lunch and refreshments are provided.

There is the opportunity to present posters at this event, if you would like to present a poster please contact MFF ASAP. Abstracts of research contributions are available on our website www.moorsforthefuture.org.uk

The event is **FREE**, but please register, so that we know numbers for lunch and refreshments. Please email Sharon Davison (sharon.davison@peakdistrict.gov.uk) or call the MFF team on 01629 816 578 or write to MFF at the address above.
Attendance strictly limited.

Feel free to forward this invite to anyone you feel might be interested in attending.

Best regards
