5th August 2020

Ref: MFF 117 2020-2024

Dear Sir/ Madam,

Please find enclosed information regarding an invitation to tender for Moors for the Future Partnership's 2020-2024 Supply & Delivery of Gully Blocking Stone. This information is also available via our website and Contracts Finder service <https://www.gov.uk/contracts-finder>.

This new framework agreement will run from September 2020 to July 2024.

Future supply and delivery of gully blocking stone for Moors for the Future Partnership will include works only available to Contractors on this framework agreement.

Once you have been accepted onto the framework agreement you will be invited to tender for works once a site and quantities have been identified. This will be a mini competition between the framework contractors only.

If you would like to tender for the framework agreement then please read the tender documentation carefully and include the following items in your tender return:

- Itemised Costs
- Appendix 1 Form of Tender
- Appendix 2 Tender questionnaire
- Appendix 3 Non-collusive tendering certificate
- Proof of insurance requested in Section 3 of the Framework Tender
- Methodologies for the delivery of works required under the framework detailing how the Contract Objectives and Specification in Section 1 will be met.
- Evidence of previous relevant experience of supplying and delivering stone/materials.

Please return your tender submission by email to Tenders@peakdistrict.gov.uk by 12mid-day on Tuesday 1st September 2020.

If you have any questions regarding the framework agreement, then please do not hesitate to contact Phil Straton or myself via email. Please note that our responses (and the questions they relate to) may be made available to other tenderers.

Kind regards

Jane Price
Conservation Works Officer
